Hi Steve,
Thanks so much for your note. I am a bit out of the loop on this one, but I will send you the table that I believe you are referencing. If you have a few minutes right now, I'll give you a call to discuss.

Thanks!

Rachel

Hey Rachel,

I'm attempting to coordinate for the NOC aspects of this. We have an idea for how we might do something quick and dirty with REA data, but it really depends on what you need to know. I've heard there's a document out there somewhere that lines this out (ROV table?). Could you forward it to me?

Just so you are aware, both of our REA people are out of the office for unplanned medical issues, so there's some possibility that we'll be hamstrung anyway, but we're certainly willing to see what we can accomplish with the resources we have available.

Thanks,
